

## Will and Estate Planning Information

In addition to cash donations, we encourage our parishioners to also think about using their assets as a way to help us reach our goals. The diocese will value bequeaths to ASP Founded on Faith, Building the future as a cash donation (on a case, by case basis). Please be sure to use the following verbiage if you do decide to include this campaign and building in your will:

**“ ..... To the Roman Catholic Bishop of Portland, a Corporation Sole, for the benefit of All Saint’s Parish construction, repair or maintenance of the multipurpose facility on the campus of St. John’s Church in Brunswick, ME.”**

Once a value has been decided on and your plans have been set in place please be sure to:

1. Inform Charleen Foley, Campaign Coordinator, at the parish office of your intentions – 207-725-2624
2. Have a copy of your will and last testament sent to the parish office for record keeping:
