33rd Sunday in Ordinary Time

"A man going on a journey called in his servants and entrusted his possessions to them." In today's Gospel parable, this man represents God, and the servants represent us. The story makes a clear point about the importance of putting the gifts God has given us to good use. Unlike the first two servants, the third servant chose not to make a return on his "talent." Thus we can understand the frustration of the master. He trusted this servant, and the fellow let him down. Remember, this all began with an act of trust when the master handed over care of his things. The fact is that the third servant did not take good care of what he was given.

What have we been given? Some gifts from God

we all share in common: life and salvation. But others differ from person to person. We each have our own set of "talents": our personal skills, our material blessings, our education, family background, and so on. Some have more, and some have fewer. But the point is that we are called to make the most of what we have, whatever that may be.

Perhaps the starting point for making a return on God's investment in us is to recognize that what we have is really his! In a sense, our gifts and skills, even our lives, are all "on loan" from God. He is generous in sharing his life and his blessings with us. And, like the parable's master, he is quick to praise and reward our efforts. But when we choose to be "wicked, lazy" servants, taking everything for granted and not using our gifts for God's glory, then "even what [we have] will be taken away." What we bury underground is as good as gone. So let's bring our gifts into the light of day by sharing them with others and making the best possible use of all we've received.

RITE OF CHRISTIAN INITIATION OF ADULTS

Marcy.brenner@portlanddiocese.org
207-725-2624

In continuation of last week's bulletin announcement:

The energy of announcing the good news and providing help and guidance to our All Saints Parish Rite of Christian Initiation of Adults participants is primarily the role of the parish community. All the followers of Christ have the responsibility of spreading the faith according to their abilities.

Here are two more suggestions for All Saints Parish Parishioners to provide help to the seekers in our RCIA Process:

See a seeker, talk to a seeker. Welcome into personal conversation. Get out of our comfortable conversation circles and speak to newcomers.

Show and tell what goes on in the parish. Welcome seeker into community gatherings and various activities of the parish.

If we can all be encouraged to take on these simple but powerful actions and live into our apostolic vocation, what a wonderful change we would see in our seekers and in our community!

Mrs. Curry with Kindergarten News

Kindergarten enjoyed a busy October, and we are looking forward to learning about Thanksgiving, families, turkeys, Pilgrims, and Native Americans during November. We will begin by making turkey hand puppets. We will be earning feathers for knowing our addresses, phone numbers, birthdays, and zipping our coats—all important skills. This is a homework assignment to be practiced at home.

In October, we added to our Math Problem Solving Workbook. We are enjoying working on problems and recording them in our notebooks. We also started number talks. This month, we will also start sharing these journals in the "Mathematician's Chair" We hear lots of cheers when Problem Solving is on our daily schedule. We continue to work on patterns, shapes, measurement, probability, and addition readiness.

We want to remind everyone that our service project is Healing Bears. If you know anyone who is sick or hurting, please, let us know, and we will get a bear to them and keep them in our prayers.

In Religion, we continue to get to know Jesus as our friend and learn about His friends, the saints.

The Letter People will be visiting Kindergarten helping us to become better readers and writers. We are also working hard in our writing journals. We will be going to the library on Thursdays. Ask us about our Book Frenzies!

This year we will be trying something new this year in SJCS's kindergarten. We are trying to inquiry based learning. The children will determine the focus in our Thanksgiving study. After reading several books about the first Thanksgiving, the children will decide what they want to learn about the most, what really interests them. Together the class will direct what we do and how we want to do it. We will see what happens from there!

Looks like a busy November!
