Our Lord Jesus Christ, King of the Universe

"For I was hungry and you gave me food, I was thirsty and you gave me drink, a stranger and you welcomed me, naked and you clothed me, ill and you cared for me, in prison and you visited me."

Jesus insists that in ministering to others' physical needs, we are truly serving him. "Whatever you did for one of the least brothers of mine, you did for me," he tells us. And in a similar way, what we fail to do for them, we fail to do for Christ: "What you did not do for one of these least ones, you did not do for me." This means that we have been given both a gift and a task. The gift is the chance to encounter Christ in our brothers and sisters. The task is to be sure we don't neglect the encounter. The corporal works of mercy provide us with a kind of guide for how to live out this important mission from Christ. These works include feeding the hungry, giving drink to the thirsty, clothing the naked, sheltering the homeless, visiting the sick and the imprisoned, and burying the dead. Based on the words of Jesus in today's Gospel, it's an important part of the Christian life to look for ways to engage in these kinds of bodily ministries. Traditionally, these "corporal" works are complemented by a set of "spiritual" works. The spiritual works of mercy ensure that we don't minister to the body at the expense of the soul. They include admonishing the sinner, instructing the ignorant, counseling the doubtful, comforting the sorrowful, bearing wrongs patiently, forgiving all injuries, and praying for the living and the dead. By engaging in these diverse works of mercy, we serve others, love Jesus, and hope to "inherit the kingdom prepared for [us] from the foundation of the world."

NEXT WEEKEND

HELP US FILL THE GAP!

Now that our General Contractor has been selected we have been given an opportunity to begin the building process earlier than expected. The fence line has been set up and we are planning to have a foundation in by the end of the year. Our estimated project completion will be in December of 2018! This means we need to now focus on filling the financial gap in order to meet our goal. We have been blessed with many pledges, one-time donations, bequests, matching gift opportunities and now paver sales. All of which have helped us secure a loan with the diocese to get us to where we are now. We don't plan to use this loan, if we don't have to. If you have not made a commitment to our capital campaign, now is the time. Donations can be made a www.allsaintsmaine.com. Thank you for your continued support!

RITE OF CHRISTIAN INITIATION OF ADULTS

Marcy.brenner@portlanddiocese.org
207-725-2624

In continuation of last week's bulletin announcement:

The energy of announcing the good news and providing help and guidance to our All Saints Parish Rite of Christian Initiation of Adults participants is primarily the role of the parish community. All the followers of Christ have the responsibility of spreading the faith according to their abilities.

Here are two more suggestions for All Saints Parish Parishioners to provide help to the seekers in our RCIA

Process:

See a seeker, talk to a seeker. Welcome into personal conversation. Get out of our comfortable conversation circles and speak to newcomers.

Show and tell what goes on in the parish. Welcome seeker into community gatherings and various activities of the parish.

If we can all be encouraged to take on these simple but powerful actions and live into our apostolic vocation, what a wonderful change we would see in our seekers and in our community!

FMI please contact: Marcy Brenner (St. Charles, St. John & St. Ambrose) at 725-2624 to join us. Contact at the other Churches are: Cheryl Ivens 633-5608 at Our Lady Queen of Peace; Gloria Ouellette 737-8252-at St. Mary. For children: call

Mrs. Swinton with Fifth Grade News

What a busy time for grade 5! Sometimes I have to wonder how we do it all!

Recently we shared Native American projects. Everyone had found a wealth of information and was asked to share

some that they found interesting. Then they shared some "visual" information in the form of items (war clubs, village models, shields, and other crafts) that they made, as well as foods that would have been eaten by the members of their tribes. Everyone especially enjoyed trying out the various foods that some students brought in.

Students have also shared their most recent book reports. This time they created a "scrapbook" of the most memorable scenes from their book. The pictures they drew are wonderful. The next report will be very different since they will give a totally oral report on their chosen book. Stay tuned for details.

As we begin to turn our attention to the holidays, the class will be discussing how best to really celebrate the birth of Christ. Our first service project for the year will be to collect some new stuffed toys to donate to the emergency room at Midcoast Hospital. My class has been doing this for a number of years and the nurses really appreciate having the toys to give to hurting children during the holidays. Children will be asked to earn some extra money at home in order to purchase the toys so that the donations truly come from the children and not from their parents.

St. John's Christmas Craft Show is Saturday, December 9, 2017, from 8:30-2:00, at St. Charles Borromeo Church

Please join us and over 30 Maine Crafters as they display their creations. The Cookie Walk and Fudge Table will be back. The Snowflake Café will be back with delicious foods and drinks. The Raffle Table will be pack with a chance to win a great item from one of our Crafters!
