The Holy Family

"When they had fulfilled all the prescriptions of the law of the Lord, they returned ... to their own town of Nazareth." Mary and Joseph were faithful Jews who followed the norms of their religion. Today's Gospel describes the event we call "The

Presentation." Jesus' parents, like every Jewish family, presented their infant son to the Lord in a formal ceremony at the temple in Jerusalem. Having done what their religious rites required (and having heard the prophetic words of Simeon and Anna), Mary and Joseph returned home. It was back in their native region of Galilee, amidst the daily routine of domestic life, that Jesus "grew and became strong, filled with wisdom." As Christians, we too consecrate our children to the Lord when we have them baptized in the Church. Seeing our children receive this sacrament of initiation is always a moment of great joy and hope as we anticipate the life that lies ahead for them, both on earth and in eternity. But the baptism of a baby is only the beginning of this journey towards heaven. In truth, the little daily details, the simple living of family life in our own home paves the way for our children to reach their eternal home.

And so it was with the Holy Family. Jesus' childhood, his formation and development took place not primarily amidst the public drama of the temple, but in the quiet privacy of his home. How important this home was, where his parents raised him in their faith and helped him live in such a way that "the favor of God was upon him." May we too, in our homes and our families, remember that although our mission may be lived out in very small moments, taken together they have an eternal significance.

MEMORIAL REFLECTION

Barbara Theberge, a communicant of St. John the Baptist Church, passed away suddenly on November 28, 2017. Barbara was a lifelong member of St. John's and looked after her church with loving care, just as she came to care so deeply for and contribute to the greater All Saints Parish. Barbara's contributions to her church and the parish are

many. She was a former coordinator of the Rite of Christian Initiation at St. John the Baptist Church and more recently served as the chair of the Worship & Spirituality Commission of St. John's. She represented St. John's on the All Saints Parish Pastoral Council and was most recently deeply involved in the building project on the St. John the Baptist campus. Barbara lent her graphic talents to that project as well as to other publications of the parish (Brochures, Posters for various Holy Days and Liturgical seasons, *Glimpses of God*, and so much more).

Barbara worked with many brides and grooms at weddings. She was present for most funerals in her church. She was always available to serve Masses or funerals if there was a need. Barbara's warmth, her willingness to be active in her church and in the greater parish serve as a tremendous example to all of us. We were blessed to have known Barbara, her even temperament and her contagious laugh. It will be difficult not seeing Barbara at St. John's Church at a wedding or a funeral. Here is a question for each of us to consider... How can we do a little more to serve our church and the greater parish in Barbara's memory?

May you rest in peace, Barbara.

RITE OF CHRISTIAN INITIATION OF ADULTS

marcy.brenner@portlanddiocese.org
207-725-2624

In continuation of last week's bulletin announcement:

The energy of announcing the good news and providing help and guidance to our All Saints Parish Rite of Christian Initiation of Adults participants is primarily the role of the parish community. All the followers of Christ have the responsibility of spreading the faith according to their abilities.

Here are two more suggestions for All Saints Parish Parishioners to provide help to the seekers in our RCIA Process:

See a seeker, talk to a seeker. Welcome into personal conversation. Get out of our comfortable conversation circles and speak to newcomers.

Show and tell what goes on in the parish. Welcome seeker into community gatherings and various activities of the parish.

If we can all be encouraged to take on these simple but powerful actions and live into our apostolic vocation, what a wonderful change we would see in our seekers and in our community!

FMI please contact: Marcy Brenner (St. Charles, St. John & St. Ambrose) at 725-2624 to join us. Contact at the other Churches are: Cheryl Ivens 633-5608 at Our Lady Queen of Peace; Gloria Ouellette 737-8252-at St. Mary. For children: call Amy Ford – 725-2624.

Sharing the Gospel: Love God and trust him with your life. Then you will want to do what God asks. Simeon listened to God. Anna served God for many years in the temple. Mary and Joseph did everything God asked them to do for Jesus. Everyone in the temple knew that Jesus was sent by God to be their Savior. They trusted God with Jesus' precious life. **Prayer:** God, help me to love you enough to do all that you ask me to. **Something to Draw:** Draw a picture of God watching over you and your family. **Mission for the Week:** Jesus belonged to God. Look up the word "belong" in the dictionary. Thank God that you are his child, too.

MARK YOUR CALENDARS: All are welcome to the St. Mary Potluck Brunch Social on Sunday, January 21, following the 9:30am Mass, where we will **ENCOUNTER LENT!** Let's get ready for a life-changing Lenten journey of encounter with CRS Rice Bowl! FMI: Please call

Jim Davey: FOCUS Missionary

Hello, my name is Jim Davey. I may be better known as the son of Marcelle Lachance and the grandson of Joline Lachance. In 2016, I graduated from the University of Maine with a degree in physics. Upon graduation, I became a full-time campus missionary with the Fellowship of Catholic University Students (FOCUS), the largest Catholic college outreach program in the United States. When FOCUS missionaries came to the University of Maine my junior year, they taught me what it means to be Catholic, they revolutionized my prayer life, and they showed me what it means that God loves me. Missionaries radically changed my life and I want to do the same for others, so for the last year and a half I have been serving college students in the same way through campus ministry, bible studies, prayer, and friendship.

I minister to college students because there is a real need. As you know, the Church has faced many challenges in recent years and some of their effects can be seen even in this parish. If you look around in the pews at mass you might notice that there is a generation missing: my own. There is an entire generation of young adults that seems to be missing from the faith; according to a Pew Research poll, 80% of young Catholics leave the Church during their formative college years. This is where FOCUS comes in. As a FOCUS missionary, I'm there to help students experience Jesus Christ, and to invite them into a relationship with Him and His Church. I'm there to love them with authentic Christian love, to teach them to do the same for others, and to launch them into lifelong Catholic mission.

But I can't do this alone. As a FOCUS missionary, I'm responsible for fundraising 100% of my salary and mission budget with the help of people like you. I can't do the work God has called me to without this partnership. I would like to ask you reading this to prayerfully consider joining my personal support team with prayers and monthly financial donations. By supporting me, you're not just donating money; you're joining me in the mission to build up leaders, change the world for Christ, and save souls.

If you're interested in learning more about what I'm doing or the possibility of joining my monthly support team, please contact me. My phone number is 207-607-0926, and my email address is james-russell.davey@focus.org. Thank you very much, and God bless!

"Some give by going to the missions. Some go by giving to the missions. Without both, there is no mission."

Happy and Safe New Year!

Congratulations to
the 5th Graders on
collecting 42 stuffed
animals for children
who enter the ER at
Midcoast Hospital.
Thank you for your
generosity!

If you have had the
chance to walk
through the second
floor hallway you may
have noticed colorful
paper Christmas lights
hanging across the
hall. This project was
prompted by a class
project in 6th grade. Mrs. Sullivan had shared the book *An Invisible Thread—Christmas Story*, with her 6th graders, she challenged them to think and then demonstrate as many acts of kindness as they could during the advent season. She extended this challenge to the entire school. The lightbulbs you see in our hallway is the work of the students to "light up our school with kindness" this advent season. Anytime a students sees or does something kind they write it down anonymously to hopefully inspire others to good deeds!
